## The 2017 Jubilee Fête... and now for 2018

Few attending the 2017 Fête will deny that it was an enormous success, both during the day and in the evening. Planning for it began in September 2016 when three long-serving members of the Fête Committee decided it would be the last they would help to organise. Now, new people with new ideas for the 2018 Bar Hill Fête are welcome.

Meetings of the committee take place bi-monthly from October until March, then monthly till the Fête. Although the three retiring members have undertaken much of the organisation, their tasks could be delegated among more members. There is no obligation to become a member of the full Residents' Association Committee.

So come and join us for a meeting of the existing Fête Committee on:

**11th October at 7.30pm in the Village Hall Committee Room**

where members can answer any questions you may have. This will be the last meeting of the Fête Committee as it stands.

It's your Village Fête, held every year, with one exception, since 1972.

Don't let it lapse by sitting back and doing nothing.

Contact Roger Hall, Chairman, Bar Hill Residents' Association: T: 01954 780304; E: [roger.hall90@ntlworld.com](mailto:roger.hall90@ntlworld.com).

**Deadline for November's edition: 15th October to [bhneditor@yahoo.com](mailto:bhneditor@yahoo.com)  
or see page 2 for other contacts.**

The objectives of the association are to act as an intermediary between residents and other parties, to keep residents informed of matters of importance and recreation in and around the village, and to promote the interests of Bar Hill. Opinions expressed in this publication are not necessarily those of the Association. Anonymous letters will not be published, but names and addresses may be withheld. However, these may be made available should a written request be received. This is a private publication and may not be reproduced in any way without the prior permission of the Bar Hill Residents' Association Committee.

**ADVERTISING**

All matters relating to advertising should be addressed to the Advertising Coordinator [bunty.waters@ntlworld.com](mailto:bunty.waters@ntlworld.com). Quarter-page adverts cost £16.50 per month and must be submitted by the 1st of the month prior to inclusion. These ads are for local businesses and we guarantee publication, but this often results in a waiting list. To help overcome this, we publish Maxi and Mini ads which appear throughout the publication. We cannot guarantee their inclusion, though, due to restrictions of space. Maxi ads (6cmx4½cm – 9cmx6cm) are £8.50 per month; Mini ads (6cmx2cm – 6cmx4cm) are £5 per month, and should be submitted by 15th of the month prior to their inclusion.

**EDITORIAL**

There is no charge for Articles, What's On, For Sale or Lost and Found. These appear at the Editor's discretion. Please submit items by 15th of the month. [Items offered For Sale will be advertised in two consecutive editions, so please let the Editor know if the item(s) sell after the first time.] All items can be submitted electronically on disk or to [bhneditor@yahoo.com](mailto:bhneditor@yahoo.com) [a Word file is best, please] or hard copy via Parish Council Office.

## — LETTERS —

### Dear Editor

In her column for the BHN in the September issue, Heidi Allen MP spoke of the additional £1.3 billion found by the Secretary of State for Education for front line schools funding.

What she didn't say is that schools still faced cuts to their budgets which will impact on our children's education. What she also omitted to say is this is not 'new' money, its nothing more than 'robbing Peter to pay Paul'.

*John Doland, Hanover Close*

*Please note that we don't normally publish such political content in BHN, but as the matter was raised in last month's edition, we elected to publish. However, this is a one-off—no further publication on this or any other political matter. Ed.*

### Dear Editor

Once again we find October approaching fast! Gail and Richard will be having a Garden Halloween Display at 12 Appletrees, Bar Hill, this year hoping to raise funds for the village primary school.

We hope that you will all come along and join in the fun on Tuesday 31st October 2017. Lights on when dark until 9pm. We look forward to seeing you on the night.

Thank you and best wishes

*Gail and Richard*

### BAR HILL ROCKETS (Under 13s)

The Rockets started the new season with a trip to Saffron Walden eager to begin their campaign with a strong performance.

After a fairly even first 15 minutes the Rockets took the lead thanks to a great strike from our new captain, Christian Simmonett. Saffron Walden came back strongly and deservedly equalized with 10 minutes of the first half left. The Rockets, however, finished the half strongly and went 2-1 up with a neat finish from Jack Williams. Soon after Lauren Grattidge scored her first goal for the Rockets with a textbook low finish into the corner.

Half-time Saffron Walden 1 – Bar Hill 3

The Rockets, despite kicking uphill, dominated the second half and played some lovely football along the way. Further goals from Ryan Aspen and Zino Zinnediche completed a brilliant performance. Final score Saffron Walden 1 – Bar Hill 5

The Rockets hope to build on this in the coming weeks with new additions Archie Tyrell and Archie Wilson adding to their firepower. Well done the Rockets.

### Message to all dog walkers

There have been a number of recent incidents where dog mess has been left on the village green. Our various coaches have to pick this up to clear our pitches – but if they miss any there is an obvious danger to the children. Please think about the community you live in whilst walking your dog.

### COULD YOU SPARE AN HOUR A MONTH TO CHANGE SOMEONE'S LIFE FOR THE BETTER?

Form the Future's successful mentoring programme for young people is expanding and they need more mentors to help students fulfil their potential. This year nearly 100 students from eight Cambridge and Ely schools, and local village colleges were supported by a volunteer mentor from the business community. In the next academic year, this number is doubling and they need 100 new mentors from different professions to meet all the areas of interest. Anyone can be a mentor - training is provided. No previous experience is necessary, just a desire to make a difference and willingness to give up to one hour a month.

### How does it work?

Mentors and Mentees are matched based on shared interests and job aspirations. Many of the students are eligible for free school meals, most are at risk of disengaging from education and not achieving their full potential, while some simply lack direction or have a career goal, but no plan for reaching it. Mentors can provide the vital one-to-one support that helps students find a new sense of purpose, motivation and direction.

Mentors receive 5 hours of training from a professional development agency, and Form the Future arranges the matching, the safeguarding issues and the logistics of the meetings (which always happen in school). You will be required to listen a great deal and empathise – providing words of challenge and support once you have built up a relationship of trust.

Research has shown that unemployment and low employment aspirations can be a family trait. Form the Future's mentoring scheme aims to break this spiral of low self-esteem, low aspirations and low achievement. If only 10% of their mentees are inspired to achieve, rather than under-achieve, that could mean 20 Cambridge teens in work, as opposed to on benefits.

The opening of the Tennis Courts and All-Weather Court over the summer school holidays was a tremendous success. Youngsters thoroughly enjoyed and appreciated the chance to use the facilities with their friends; providing an excellent opportunity for them to meet up and get some exercise and be in the great outdoors. We very much hope we shall be able to do this again. The Connection Bus sessions for youngsters, stationed on the Village Hall car park, was also enjoyed and well supported, and again we hope to bring this into the village on a more regular basis.

We were delighted that we were able to open the new play equipment in time for the school holidays and this has provided hours of fun for many. It was agreed that the Community Facilities for Young People Working Party would continue to meet and the next phase will be to sort out some landscaping at the rear of the new equipment, a bounce area for the new goal system and the purchase of a Teqtable for which we are really grateful to Tesco Bags for Life funding – please, please collect your tokens every time you shop and support this Bar Hill project.

Contractors will soon be working on Hollytrees Stream to undertake substantial works to improve the banks and help reduce flooding, especially where there has been erosion. We ask for support and patience from all those living in this area to help us complete the project which will, of course, be of benefit to everyone.

**Tree and shrub works** for Autumn/Winter will start October/November. This is a big project, covering many areas of the village and we ask for your support and patience while the contractors are on site. The works identified have been assessed based on the recommendations of the professional Tree Survey carried out last year and form part of a 3-year programme which will be kept under review and revised next year as part of the Council's long-term management programme. See September Environment and Amenities Committee minutes <http://www.barhill.org.uk> or at the Council office, for areas of work. The next tranche of identified tree/shrub/green works will be agreed in the new year for the spring/early summer works by contractors.

**Flytipping** – dumping rubbish on other people's property, and that includes Parish, District and County Council land is illegal! Contact South Cambs District Council as soon as found – [www.scambs.gov.uk/form-type/report-it](http://www.scambs.gov.uk/form-type/report-it) who will send out an officer to gather evidence from the area and prosecute.

**Car/Van/Lorry Parking** – inconsiderate parking should be reported immediately to <http://tinyurl.com/SouthCambs-Parking>

The next Parish Council meeting will be on 21st September 2017 at 7pm in the Parish Council Office. Minutes are posted up in the Parish Council window. Items for the agenda must be placed with the Clerk at least 7 days before the meeting.

Visit the village website: [www.barhill.org.uk](http://www.barhill.org.uk) for up-dates on local matters including progress of the A14.

— NEIGHBOURHOOD WATCH —

**Car Number plate theft**

Number plate thefts are regularly happening across the local area and sadly have occurred in Bar Hill. Stolen plates may then be used on vehicles to commit crimes – eg:

- driving away without paying for fuel,
- using an untaxed, uninsured vehicle,
- avoiding congestion charges and tolls,
- major crimes such as robbery.

**To avoid being a victim**

1. If you cannot use a garage, park in a well-lit area, as close as possible to your home.
2. If parking on your drive, have a motion sensor light and ideally park with one end of the car close to a fence or other solid object.
3. Use anti-theft screws, which break the plate if they are removed.
4. Consider theft-resistant number plates which break or become unreadable if prised off.
5. Some dash-cams might make it easier to prove you weren't driving your vehicle during a crime.

**If your number plates are stolen**

1. Inform the police (non-emergency 101) and get a crime number.
2. If you receive a penalty notice, respond and challenge it promptly plus notify the DVLA.

**Darker Evenings**

With the return of autumn comes the reminder to not leave your house in darkness in the evening.

- \* If you will return after dusk, use timers to bring on lights *but not only in one room where someone can look in and see it is clearly empty.*
- \* Leave lights on when going out during the evening *but not only in the hall – who lives in their hall?*
- \* A radio or fake TV can also help make a house appear occupied.

**Remember**, opportunists look for easy pickings and with a little care we can all make it harder for them.

**Pam Vandy**, Village Co-ordinator

**PUBLIC URGED TO HELP COMBAT  
HARE COURISING**

Members of the public are being urged to be the eyes and ears of the county's rural communities by reporting ongoing hare coursing incidents.

Fields across Cambridgeshire have been harvested and ploughed making them the perfect ground for this illegal blood sport.

The hare coursing season traditionally begins in September and causes damage to crops, harms animal welfare and threatens the rural community. It can result in intimidation and even violence.

Last year (April 2016-March 2017) officers were called to 1,069 incidents of hare coursing, an increase of 44 per cent on the previous year (April 2015-March 2016: 742 incidents).

Chief Inspector James Sutherland from the Rural Crime Action Team (RCAT) said: "Hare coursing remains one of the biggest crimes to affect our rural communities between September and February, particularly in South Cambridgeshire, East Cambridgeshire and Fenland."

## — WILDLIFE TRUST —

Huntingdonshire Local Group

We are pleased to announce the following events:

**Gardening with Wildlife in Mind**

on **Wednesday 11th October** at 7.30pm

Iain Webb, the Cambridge Community Conservation Officer for the Wildlife Trusts will speak about how small changes that we can make in our private gardens can make a really big difference in the conservation of our native species. He will show us how to attract insects, amphibians, birds and small mammals by providing the best possible habitats such as ponds, shelter, and food sources. Whether it is by planting the best nectar producing plants or simply by hanging out nuts and seeds for birds and providing bird baths, we can all help!

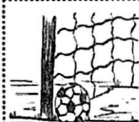

**Wild Sri Lanka: the Pearl of the Indian Ocean**

on **Wednesday 8th November** at 7.30pm, we will be hosting Jo Thomas, who invites us to discover the Island's rich biodiversity, from the Sri Lankan blue magpies in the verdant tropical forests to the blue whales off the scenic coastline where turtles also breed. Jo Thomas is the Director of Wild About Travel and she has travelled extensively, particularly across India, for 25 years.

Please contact Tim on 01480 457795 for more information.

Both of these events will take place at **Brampton Memorial Hall, Thrapston Road, Brampton, PE28 4TB.**

Part of the Wildlife Trust for Bedfordshire, Cambridgeshire and Northamptonshire. Registered Charity No: 1000412.

## — BAR HILL CHILDMINDERS —

Bar Hill Childminders work as a close network of childcare professionals who offer a warm, friendly and loving home from home environment. We use the comfort of our homes as a base and can also offer your children the opportunities of day trips and range of outdoor experiences and take part in local community events and groups without being confined to one place.

We offer flexibility in the hours that we work to suit you and your child's needs with village rates, rather than having set session times.

Your child will receive focused and individual attention and care as we progress them through the EYFS curriculum. Child led play as well as structured and personally thought out activities will encourage them to grow and learn at their own pace taking in to account each child's individual needs.

Before/after school and holiday care for school aged children is available and leaves the stress out of your busy mornings and evenings.

We are Ofsted registered and inspected with 'Good' and 'Outstanding' inspection outcomes and are fully insured. We have access to childcare qualifications including level 3 in childcare. You can feel safe in the knowledge that we all hold Paediatric first aid certificate.

We welcome you to join us and have an informal chat at either of our friendly and inviting 'Little Bunnies' sessions on Tuesday and Thursday mornings from 9.45–11.15am in the Octagon, term time only – (£1.50 for one child under one, £2.50 for one child over one and £3 for 2 or more children). Here we offer a wide range of sensory experiences, activities, stories, singing and more...

## — BAR HILL CRICKET CLUB —

It's been a month of big news for Bar Hill with two major 'victories' off the pitch.

First, Dave Underhay and Ash Curry won a regional OSCA – the England and Wales Cricket Board's awards scheme for dedicated volunteers. They won in the Get the Game On category for their tireless work preparing the pitch before and during the season and will now go up to Lord's

for the national final in October.

Our head coach Dave Allsopp was commended in the Heartbeat of the Club category.

The second piece of good news was that we have now been awarded Clubmark status, meaning we are officially a well-run club which adheres to higher standards of welfare, equity, coaching and management.

This has been a real team effort, but particular thanks must go to Tony Moffat for co-ordinating the process and, as Clubmark is of great importance in youth cricket, to head coach Dave Allsopp.

On the pitch, unfortunately, defeat to key rivals Wilburton meant we were unable to finish in the promotion positions in the league.

Sam Clare scored 43 and Adam Dean 38 but Bar Hill's total of 133 was passed by Wilburton with seven wickets in hand.

The last match of the season was abandoned due to bad light after Bar Hill and opponents Histon had done their best to beat bad weather earlier in the day. Phil Orvis was the top scorer with 32.

The end of season presentation night is on September 30. Just in case the Bar Hill News is out a little early, I'll keep the winners a secret until next month!

For the latest news and all other information about the club, or if you are interested in joining or volunteering, visit [www.barhillcricket.org.uk](http://www.barhillcricket.org.uk) or call the number below.

## — HOARDING —

Hoarding is a serious and complex issue that goes far beyond simple untidiness. It is a recognised mental health condition requiring careful treatment. Hoarding is a widespread issue affecting between 2% and 3% of the population – approximately 1.2 million people in the UK.

People who display hoarding behaviours excessively collect items such as newspapers, books, clothing, and in some cases rubbish, rotten food and animals, resulting in unmanageable amounts of clutter. This in turn can cause serious health problems, structural damage, pest infestations and serious risk of fire.

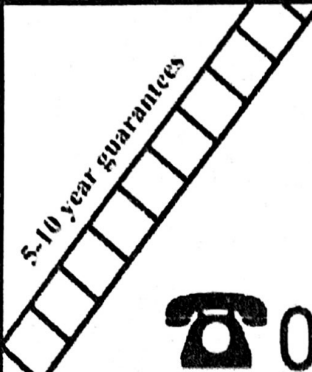

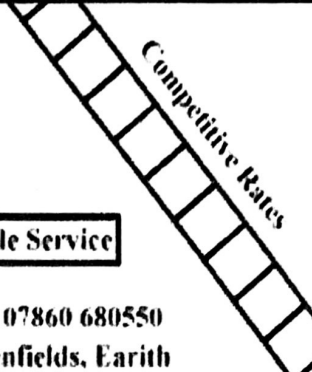

Since 2014, we have engaged with over 50 households in South Cambridgeshire alone. In more serious cases, it can sometimes lead to emotionally distressing enforced clearances. People who display hoarding behaviours need help to learn how to change the way they think about acquiring, purchasing, or collecting as well as how they relate to their belongings.

If you discover someone displaying hoarding behaviours, you can find help and practical advice at

[www.helpforhoarders.co.uk](http://www.helpforhoarders.co.uk) or contact South Cambridgeshire District Council on 03450 450 063.

Alternatively you can contact the Cambridgeshire Fire and Rescue Service on 0800 917 9994 or <http://www.cambsfire.gov.uk> and visit the 'home safety' pages.

## — COUNCILLOR NOTES —

**Recycling News** – councillors have backed plans to simplify the kerb-side collection of recycling materials for residents across South Cambridgeshire.

The plans were supported at a meeting of the District Council's Cabinet which will see residents place paper directly into their blue wheelie bins, eliminating the need for paper caddies. The change will mean vehicles will cover around 26,000 fewer miles per year. This will lower fuel costs and reduced CO2 emissions. A reduction in collection trucks means that around £670,000 of savings can be achieved during the next seven years. Removing paper caddies will also reduce heavy lifting being carried out by refuse workers.

**Swavesey as a Travel Hub** – research has revealed that over 90% of people leaving their car or bike at the Swavesey Busway stop before boarding a guided bus come from the village or neighbouring Over – with councilors saying more rural travel hubs like this are being investigated. The Swavesey hub is helping local people access more frequent public transport links closer to their homes – and councilors have said that more should follow.

**Business Rate Relief** – around 300 South Cambridgeshire companies will benefit from financial relief from increases in business rates, it has been confirmed. A support package was agreed at the South Cambridgeshire District Council's Finance and Staffing Portfolio Holder's meeting in August.

This comes after the Chancellor announced a £300million fund to support those firms facing the steepest rises in business rates, because of changes to the way their rates are calculated. South Cambridgeshire District Council has been allocated a total of £849,000 over four years by the Government, to pass on to local businesses affected, in the form of rate relief.

**Antisocial Parking** – is the responsibility of the police, this is a problem in so many villages the police would like you to report it <http://tinyurl.com/SouthCambs-parking>. By reporting it, it will help to build up a picture where the problems are.

**A14 Community Fund** – local projects have already received funding from the A14 Community Fund, which launched last year. The fund looks to support local activities that focus on bringing communities closer together and over £50,000 has been allocated to date. For more information about the A14 Community Fund visit [cambscf.org.uk/A14.html](http://cambscf.org.uk/A14.html)

## — HEIDI ALLEN MP —

My new office address: 82A High Street, Sawston CB22 3HJ; tel: 01223 830 037.

I visited Addenbrooke's to shadow the bed managers in the operations centre. They have the challenging job of managing patient flow and beds across the whole hospital, 24 hours a day. Given the huge scale of the task and the challenges of our growing, ageing population and the great pull of Addenbrooke's reputation, they do an amazing job. I'd like to thank the whole team for allowing me to spend the morning with them! Spending a morning in the hospital reminded me of the need for blood donations, so I popped round the corner to the permanent donation centre at Addenbrooke's. They are open 6 days a week and with free parking – and biscuits! – so there really is no excuse. It's honestly not painful! Simply go to [www.blood.co.uk](http://www.blood.co.uk) or call 0300 123 2323 to book an appointment. It really does save lives.

I continue to work hard to improve our transport infrastructure across South Cambridgeshire so am delighted our aspiration to build a railway station at Addenbrooke's has been given the thumbs up by the Secretary of State for Transport. I shared our proposals with him just before the Summer recess and he swiftly grasped the need to ensure the Biomedical Campus reaches its full potential as a world renowned centre of excellence. I am confident this station will not only secure the local economy, but also ease congestion by removing many of the cars who currently commute to the campus from our roads. I also continue to work closely with local communities to improve our rural public transport.

Whippet's recent announcement to reduce some of their services understandably caused a lot of concern amongst our parishes, so I was relieved that the County Council have retained most of South Cambridgeshire's services albeit with some changes. Bus provision remains a complex issue in rural areas and I encourage you to lobby your local County Councillor to ensure they are aware of your concerns and transport needs.

Bar Hill Preschool is open 9am–3pm Monday to Friday, term time for children aged 2–5 years. We offer sessions through the Early years funding scheme, funded two's and accept childcare vouchers.

Our ethos is to ensure high quality care by focussing on each child's ability and interests, providing fun and exciting activities that children learn and develop skills through play in a safe and inviting environment.

Our keyperson and buddy system ensures every child is well supported by qualified practitioners who have a wealth of experience. We work in partnership with parents and our online learning journal supports this by providing families with regular information on the child's development and next steps identified, parents can upload evidence from home too and add their own comments.

Our inside area provides views across the village green in a inviting and welcoming atmosphere. Children can access toys and equipment independently. Skills are developed through activities and routines eg children help to prepare snack with safety knives and learn about how to stay healthy. Lunch clubs are a social time and adults sit at tables with children while they eat own packed lunch, encouraging friendships and social skills.

The extended outdoor learning environment provides opportunities from growing fruit and vegetables for our snack bar to exploring the mud kitchen, large sand pit and our sensory garden.

We welcome visitors from the local community that support our curriculum further.

Interested? You can find out more information on our website [www.barhillpreschool.co.uk](http://www.barhillpreschool.co.uk) or call us on 01954 782892 to book an informal visit or for an application form.

### — COUNTY COUNCILLOR REPORT —

The need to provide appropriate housing for our younger residents is a challenge in an area where property prices are extremely high. At this very early point in its existence the Cambridgeshire & Peterborough Combined Authority has approved grant funding for 11 new affordable housing schemes across the authority's area. £4.56million of the £100million housing grant included in the devolution deal has been allocated to facilitate the building of 253 affordable new homes in schemes which are expected to start by the end of March 2018. Work continues to identify other sites where this new money can accelerate delivery of much needed housing. The Greater Cambridge Partnership is also working to support housing delivery and this month its Housing Development Agency made a successful application for 25 new homes on land owned by the County Council.

Again I urge you to be vigilant about possible scammers. Most recently residents have raised concerns about door to door salesmen. Alarming it seems that the many of the door to door pedlars are young people, duped into buying stock and then driven around by a gang master to sell their goods. It is illegal to sell door to door without a pedlars' licence and many of those engaged in this activity are unaware of this requirement. Police advice is not to buy or sell at your door. To do so only encourages continuation of the activity. The best thing to do is to politely decline their offers. There is some very helpful advice from the police about this subject at: <https://southcambscops.org/2013/05/20/door-to-door-sales-what-you-should-know/>

Please don't hesitate to contact me with any comments or questions you may have. If you would like to receive a copy of the full report that I write for the division's parish councils each month, please do email me and I will add you to its circulation.

## — OCTOBER BULLETIN — CAMBRIDGESHIRE FIRE AND RESCUE SERVICE

Winter is upon us and as the colder months draw in, we begin using our fires, burners and chimneys once again to warm our homes. Chimney Fires continue to be a common occurrence in home fires in the winter months. We experience an average of 81 chimney fires a year in Cambridgeshire alone. To ensure you keep your home safe from fire, follow our Top Tips below:

- Whatever fire you have or fuel you burn it is vitally important to have your chimney swept to avoid a build-up of ash and soot
- Avoid burning resinous woods (that build up soot)
- Only burn fuels suitable for your burner (eg: never burn anything other than wood in a wood burner)
- Do not overload the grate/ appliance
- Do not bank fires too high and remember to let them burn out well before you go to bed
- Check the hearth, floor and furnishings near the fire for hot sparks/embers
- Do not place objects on or over the mantelpiece which cause you to stand too close to the fire in order to reach them
- Use a fire/spark guard to prevent accidental fires and make sure it has the kite mark or conforms to British/European standards
- Inspect your chimney breast, particularly the roof space. Make sure it is sound and sparks/fumes cannot escape through cracks or broken bricks
- For each slow burning period there should follow a quick burn to dry out unwanted tar/creosote deposits and to warm up the chimney again

At the end of each burning season and at least once during the season the entire system should be cooled and thoroughly cleaned to maintain top performance. Also ensure that Wood and Multi-Fuel burners are installed and regularly maintained by a qualified and competent engineer. You can refer to [www.solidfuel.co.uk](http://www.solidfuel.co.uk) for further advice and information. Most importantly, ALWAYS fit a smoke alarm that carries the kite mark or British Standard Number 5446 – test your alarm weekly by pressing the test button and know the life of your battery. ALWAYS also install a Carbon Monoxide (CO) alarm in the room where the burner is installed.

## — BLACK HORSE —

The race to save Dry Drayton's Black Horse pub is off to a flying start, with money totalling nearly three quarters of the fundraising goal being pledged in under 6 weeks. That was the message of a second public meeting on 4th August hosted by the Save the Black Horse Steering Group at Dry Drayton Village Hall. About 100 people attended to hear what progress has been made since the Group announced its intention to buy and reopen the Black Horse – and what steps need to be taken next. "I'm amazed and delighted – the thing I said at the first public meeting was to be gung-ho ready. You're in a very good position now. It's very impressive." said Bernard Lee of Pub is the Hub which, along with the Plunkett Foundation, has been providing guidance to the steering group.

The Black Horse is the last of five pubs that once served the Dry Drayton community. Opened in the 1790s, it ceased trading in January 2017, and the freehold was up for sale. The pub is a designated Asset of Community Value, which allowed the South Cambridgeshire District Council to place a moratorium on the sale so the local community could decide whether to launch a rescue effort.

Since the first meeting of the Steering Group on 26th April, the following steps have been taken toward buying the Grade II-listed building:

- Conducted a survey to determine whether the community wanted to save the pub and, if so, what services it should offer.
- Founded a community benefit society, Dry Drayton Community Enterprises Ltd.
- Launched a pledge drive that at time of writing had raised £187,250, toward the purchase and refurbishment of the pub.
- Received a professional valuation of both the freehold and the leasehold.
- Made an opening bid of £225,000 to purchase the freehold, based on the valuation. (The bid was subsequently rejected, but Group members say it is only the beginning of negotiations.)

Next steps include publishing the proposed business plan, and its prospectus for the pub's shareholder offer – complete with potential tax benefits for investors – although no money will actually be taken until a price for the pub is agreed. Ultimately, the goal is to have an offer for the freehold accepted by the owners so the community can buy the pub. "Then we have to work on fixing it up, select a tenant... and hopefully we'll get to reopen the Black Horse!"

During the meeting, group members addressed rumours that the pub's lease may have been sold. Group members say if the leasehold is sold and the pub reopened, they would welcome the new tenants and be happy to support the pub. However, if the building is not reopened as a pub – or if a change of use is sought for the building – the committee would be prepared to fight the changes. In the meantime, the Group says it hopes to continue accepting pledges until the £250,000 goal is reached.

To learn more about the effort to buy the Black Horse, including regular updates of fundraising efforts and the results of the community survey, please visit [www.savetheblackhorse.co.uk](http://www.savetheblackhorse.co.uk).

### — NEIGHBOURHOOD WATCH —

#### Silent Solution 55

Many calls to 999 are accidental, usually due to young children playing with phones or inadvertent dialling while a mobile is in a pocket, bag etc. Due to the volume of false 999 calls, operators will terminate a call if there has not been a response after a period of time.

However, if you are unable to speak or are in a situation where to speak could endanger your life, the 'Silent Solution 55' system ensures you can still get the help needed:

#### In an emergency

- When a 999 call is made, the operator will ask which service is required.
- If there is no response, the operator will ask the caller to either **tap on the handset or make an audible noise**.
- If the caller is unable to make an audible noise, they should **dial '55'** to confirm the call is genuine.
- If no response is made at all, the call will be terminated and assumed accidental.

Please share this tip to ensure your friends and family know about this potentially life-saving service. Also, ensure younger family members know the serious consequences to genuine callers when prank 999 calls are made.

And if you wonder why 55 – it's like the letters SS for Silent Solution.

### HOOP

#### (Housing Options for Older People)

Are you finding that your home is too large to manage, in poor condition or too far from friends or family and are not sure what to do? If so, you may be interested in an exciting new partnership with First Stop offering specialist housing information and advice to people aged over 65.

Cambridgeshire County Council is working with South Cambridgeshire District Council on a 6-month pilot project which has launched in South Cambridgeshire – HOOP.

The project offers specialist housing advice and support to older people. The customer journey starts with a questionnaire asking older people (over 65s) about their home and how it suits them. This can be completed on line or via a leaflet. The answers are then used to put people in touch with local housing options (sheltered housing, extra care schemes), support services and community groups that can provide a mixture of practical support and advice – with the aim of helping people to make informed choices about their housing and wellbeing at an early stage.

For more information, visit <https://hoop.eac.org.uk/>.

The Autumn weather is creeping in and the term is now well underway at Bar Hill School. While we look back at excellent results last year with Bar Hill children outperforming national and local results by a wide margin and winning county sporting events, we are looking forward to even greater achievements this year. We start this year with the great news of our successful bid for external money needed to complete a community play area in memory of Dawn Miller who was working on plans for a new play area before she unexpectedly died. This work should start within the coming weeks. We very much appreciate the support members of the Bar Hill Community shared for this worthy cause in memory of a much loved Bar Hill resident.

On the theme of building works, unfortunately, the pipes serving our heating system have failed so we will be re-piping 2/3 of our system over the next six months. This means that we will need to re-house Reception in temporary accommodation while working around the scaffolding and compounds needed for builders to complete the construction. In any other school this would be seen as a problem, but typical Bar Hill colleagues saw the opportunity to introduce Forest School learning in Reception while they learn in temporary buildings. As a result we should finish the year with a new heating system which hopefully last another 50 years and a completely new approach to learning in Reception. Readers can see that as we gain financially for one project, we lose for another. 2017 is a tricky time for school finance around the country so any support from the community would be well received. The easiest thing a member of the community can do for us is volunteer time to read and work with our children though any other support would also be welcome. Feel free to contact [office@barhill.cambs.sch.co.uk](mailto:office@barhill.cambs.sch.co.uk) or [headteacher@barhill.cambs.sch.co.uk](mailto:headteacher@barhill.cambs.sch.co.uk) if you would like to get involved.
